(1) **Staying less than 180 days (For students who will stay for one semester)**:

✧ It's required to apply for a visa while the purpose is study.

✧ If you have plans to travel around, applying for a **Multiple Visa** will be better.

✧ If there is no plan to go abroad when studying in Taiwan, a **Single Visa** is sufficient that the NCCU will provide the immigration documents for visa extension to at most 6 months for free. **Please be notified that it is NOT possible to change a Single Visa to a Multiple one in Taiwan.**

(2) **Staying more than 180 days (For students who will study for one academic year):**

✧ Please apply for **a Resident Visa**. Within 30 days upon the first arrival in Taiwan, please apply for an Alien Resident Certificate (ARC) in the National Immigration Agency. An immigration package will be provided by NCCU for obtaining your ARC.

(3) Please review the visa application details in Taiwan Mission Office in your country. https://www.boca.gov.tw/sp-foof-countrylp-01-2.html

11. Insurance

Students have to prepare their own medical insurance before coming to Taiwan, as there is no medical insurance product provided by NCCU. In the meantime, kindly note that all exchange students are required to purchase a basic student accident insurance provided by NCCU (NTD 250 – around USD 8) during their stay in Taiwan.
