

Study Abroad & Summer Programmes

Lancaster University is among the best in the UK and based in the North-West of England. As a collegiate university, you will join and live in one of our nine colleges, and your choice of accommodation will decide which one you join.

Your college is more than just a place to live; they are often the focus of your social life and provide a strong sense of community, with activities, events and extra support and opportunities in addition to what is available to you across the University.

Our parkland campus offers the vibrant feel of a student-focused community and is a short bus or bike ride away from the historic and exciting city of Lancaster. Nearby is the spectacular coastline of Morecambe Bay, the mountains of the Lake District (a UNESCO World Heritage Site) and there are excellent road and rail links giving you easy access to cities like Liverpool, Manchester, London and Edinburgh.

Lancaster City

The City of Lancaster is a wonderful neighbour to campus. Its fascinating heritage and stunning architecture give student life an impressive setting.

While Lancaster Castle and the Ashton Memorial dominate the city's skyline, traditional cobbled streets and secret lanes offer old-world character to explore.

Lancaster's coffee quarter has a long history; our primary roaster opened its doors in 1837.

Alongside are a host of cafes, art spaces, bars and restaurants, as well as music and comedy venues open late into the evening.
